

UNIQUE **STYLE** PLATFORM  
ESSENTIAL INSPIRATION FOR CREATIVE MINDS

**USP INSPIRE:**  
CRAFTED KNITS

**Handcrafted knitwear** is making a resurgence, as consumers are drawn to **comforting and functional clothing**, as well as garments that tell a **story**.

**Eimer Ni Mhaoldomhnaigh**, costume designer for the Oscar-nominated film *The Banshees of Inisherin*, commissioned an 83 year old Irish woman **Ms. Barry** to knit the sweaters for the film, with the story since going viral on Instagram and TikTok, where users have shown off their attempts to recreate her designs.

London-based Harry Styles-approved knitwear designer **Ilana Blumberg**'s latest collection, *Never Be Cold*, brings a contemporary touch to traditional knitting techniques, while **Bottega Veneta** showcased innovative 'knitted' sock boots as part of their A/W 23/24 collection that were actually made from leather.
